## FAQs

### Why do we do this?

Each and every day, the incredible people who make up the Excelcare family come into work to support the people at the heart of everything we do – while also supporting their wider families and being there for their colleagues. Our annual awards look to recognise people within our team who have gone above and beyond their roles to help create something truly special; such as a new project or special memories to treasure.

We know that our team are all winners, and there are many ways we show our thanks throughout the year, but these awards give us a chance to say 'well done', and show our appreciation to our superstars who have shone extra-bright!

### So how do I decide who to nominate?

Think about times an Excelcare team member has inspired you, helped you when you needed it, or made you smile!

- ★ Someone who strives for outstanding in everything they do.
- ★ Someone that brings positivity to their role and has a positive impact on those around them.
- ★ Someone who demonstrates a true passion and natural ability for making others feel special.

### What do I need to tell you about my nominee?

Provide details of the person being nominated:

- ★ Your name
- ★ Your nominee's full name, Job title and Care Home / Work Location
- ★ The suggested award title
- ★ Explain what positive effect the individual has had on the residents and team within their workplace since being in their role

Friday 19<sup>th</sup> August is the deadline for nomination submissions.

### So what happens next?

After the nomination deadline of Friday 19<sup>th</sup> August, winners will be chosen for our Making a Difference Awards.

Finalists for each category will be announced on Wednesday 7<sup>th</sup> September, and will soon after receive their invitation to our festive Excelcare Winter Wonderland awards ceremony and celebrative festival in November.
