

# Bailey and Boo's Christmas Letters

SANTA'S AIRMAIL

TO: Bailey

We promised we would write to you and let you know what mischief we have been up too!

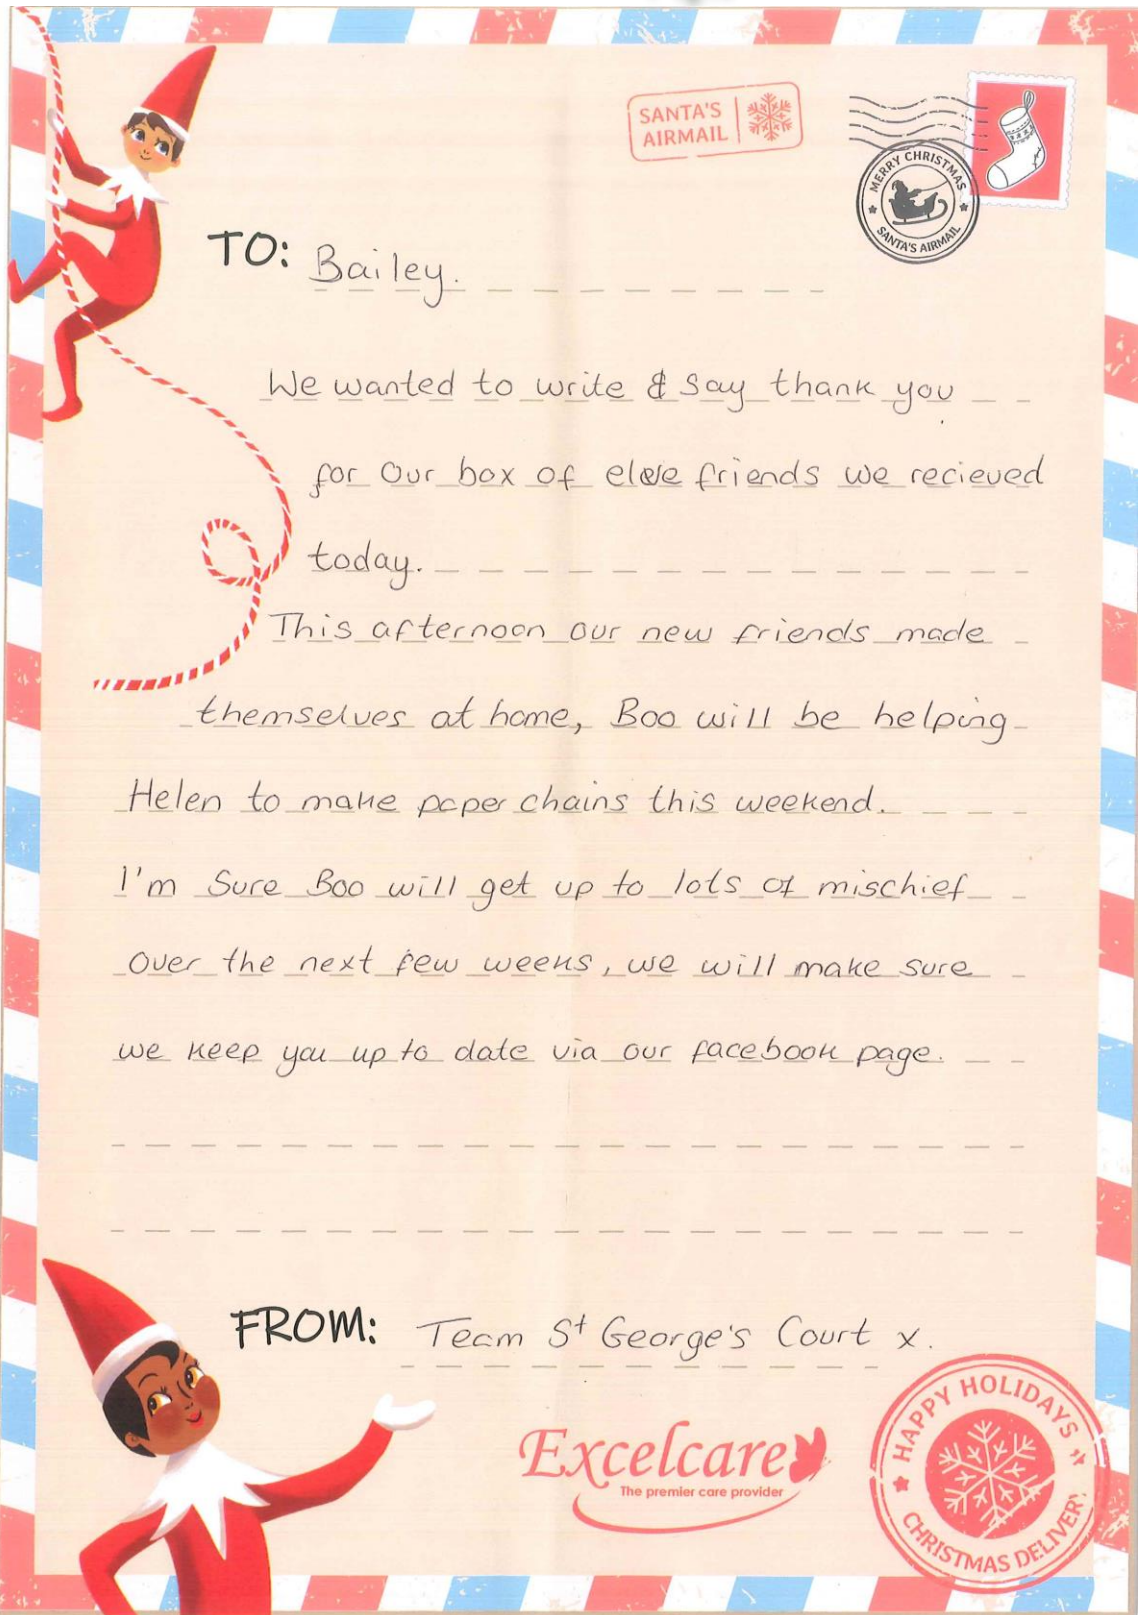

We have now got our home ready for Christmas and the decorations look all spunky. We have great fun at night knocking all the ball balls off the tree! The other night we got drunk on Martin's whiskey but boo was sick everywhere.

### **Boo the naughty Okeley Elf & friends**

As soon as Elf boo and his naughty friends found out that their Chief Operating Elf was isolating, they wanted to let Bailey know they wish her better, so they decided a get-well gift was in order.. so they put their minds together and come up with a plan....

They got Odelia to help make the yummy crunchies to send in a box.

Whilst they were in the oven, A little get well note was put together using the reception computer.

A quick quality control taste test , Boo only had one..  
honest... they tasted amazingggg!!

Boo and team packaged the special gift up ready for the post  
office

A personalised tag addressed to Bailey, so no other naughty elves get to the crunchies first.
